INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Sam and Sec, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as

ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Sam and Sec, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Sam, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Sam, your Life Path is 15/6

Sam, you possess great compassion and seek to be of service to others. You have concern for the weak and the downtrodden. You are a healer and a helper to others. You are capable of giving comfort to those in need and will frequently offer a shoulder for others to cry on.

Your task in life is to develop the tools necessary to be truly helpful to others, rather than to simply be a sympathetic ear. You must find the balance between help and interference. In the same way, you must learn the delicate art of the counselor who knows when to leave the struggle to others and when to avoid taking away the necessary experiences and lessons of life.

You are naturally balanced. Therefore, you are well equipped to support and ground others in times of trial.

It is in your nature to take on responsibility -- you often fill the void left by others

-- and do not turn away from personal sacrifice. At times, you may feel overburdened by the travails of others. However, the love others bestow upon you is your well deserved reward.

Sam, you try to maintain harmony within the family or group, balancing and fusing divergent forces. You seek marriage and are often a wonderful parent, offering warmth, protection, and understanding to children.

You are generous, kind, and attractive. You are often admired even adored which baffles you. You are humble and yet you carry a deep pride. You move well and gracefully, but will have to work to stay in shape. Seek out physical exercise and limit the sweets and dairy you crave to keep yourself from becoming plump and round.

When young, you must be careful not to choose partners for the wrong reasons. Do not let sentimentality influence your decision, especially those involving the choice of a spouse. You need to be needed, but must learn to discriminate between those you can help and others who are made weaker by your care.

After all, it is in your nature to be attracted to the weaker brothers and sisters among us.

The temptation, and the danger for you, is to think of yourself as the savior of the world, carrying the burdens of others on your shoulders.

Sam, you are blessed with musical talent, as well as in the visual and performing arts. However, your creativity may well be suppressed due to your willingness to sacrifice, or your inability to fully appreciate your talents. This is not to say that you cannot excel in these areas; on the contrary, you have the talent, and with effort you can make a success in a number of artistic fields.

You also have enormous talent in business. You are blessed with a great deal of charm and charisma, which you use effectively to attract the people and support you need.

Sec, your Life Path is 8

Sec, you are gifted with natural leadership and the capacity to accumulate great wealth. You have great talent for management in all areas of life, especially in business and financial matters. You understand the material world; you intuitively know what makes virtually any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, its purpose, and long range goals.

You are a visionary and a bit reckless. You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see. Therefore, those around you need your continual guidance, inspiration, and encouragement. You must prod them into action and direct them along the lines of your vision.

You attract financial success more than any other Life Path, but effort is required.

Sec, your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path, who do not understand the real and relative value of money are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it.

Business, finance, real estate, law, science (particularly history, archeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine.

You are a good judge of character, which aids you well in attracting the right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary. Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Sec, your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Those with the 8 Life Path usually possess a strong physique, which is a symptom of their inherent strength and resiliency.

Your Life Path's compatibility is 6 and 8

Sam and Sec, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your

relationship.

Sam and Sec, the six and the eight are very compatible. You are both practical and goal-oriented people who are not afraid of responsibility. However, there are big differences in the way the six and the eight view responsibility, and even bigger differences in the way they pursue their respective goals.

Sam's sense of responsibility is strongly focused on family and friends. Sam will be hesitant to do anything that could endanger the comfort and lifestyle of those Sam is committed to. Sec's sense of responsibility is committed to goals and dreams - their fulfillment is Sec's priority. Where Sam will be very reluctant to take risks that might reflect on those Sam cares about, Sec will not hesitate to take certain carefully calculated risks because Sec feels that, if those goals are met, the lives of everyone around will improve. Sam is capable of working for a long time to reach a goal, but Sam is much more grounded, Sam will hesitate to step away from the beaten path. Sec has a sense of business and is a visionary with a practical, can-do mentality.

Interestingly, the six-and-eight combination is excellent for business partnerships. The six keeps a reign on the dreams and visions of the eight. In turn, the eight can inspire the six to aim higher and take advantage of the opportunities lying ahead. Without an eight to inspire a six, the six will likely remain confined to small dreams requiring little or no risks. Without the grounded realism of the six, an eight often gets lost between the vision and the goal. In a romantic relationship, Sam and Sec, the numbers found in this part of the chart similarly play off each other's strengths in ways that can be very good for the relationship.

Problems can arise when one partner tries to dominate the other, which has been known to happen between a six and an eight. Sam, your tendency to take on any burden, your willingness to sacrifice, and your need to feel secure in a relationship, can make you a victim to the somewhat authoritarian and demanding nature of Sec's eight. Sometimes, the opposite happens, and the inherit talent of Sam's six to make others feel guilty simply by showing how much Sam is willing to do for them can put a real damper on Sec's potentially powerful and focused energy.

Sam and Sec, this aspect of your charts is somewhat similar to reaching a fork in the road. You have a choice between enriching and enhancing each other's strengths and talents, or frustrating your partner's opportunities. The key to maintain a balanced relationship is not to try to dominate each other.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the

Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Sam, your Expression is 17/8

Sam, you have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry.

You are a realist and a visionary planner. Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path.

You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

Sam, you are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all!

At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of

the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you.

It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. Sam, you can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution. Yours is a life time of harvest

Sec, your Expression is 19/1

You are a natural leader, independent and individualistic. Sec, you are extremely ambitious, original, and courageous. You employ new and unproven methods. You are an explorer and an innovator. Openness to too many peripheral influences limits and frustrates you. You are self-reliant, confident, and energetic.

You possess executive abilities and are most successful at owning or independently managing a business. You need the freedom to make your own decisions, based on your own ideas. You can be an astute politician. You also possess the ability to influence the opinions of your milieu.

The number 1 symbolizes the front-runner, pioneer, warrior, risk-taker, and daredevil. Generals, top politicians, successful businessmen, self-made millionaires, religious leaders, inventors, activists, and avant-garde artists are often born with a 1 Expression.

Strength and perseverance are central to your success. You must be willing to travel the frontiers of life, away from the beaten path. You possess a great

reserve of willpower that must be directed at your goals. You do not give up, but relentlessly pursue your aims.

Sec, you are quite opinionated. People tend to be inspired or repelled by your strong personality.

You have great powers of concentration and the ability to visualize your goals, thus making them more attainable.

You stand up for your convictions and hold your ground. All of these abilities enhance your chances of success in life.

There is a tendency to be self-centered. You can be domineering and, in the extreme, a bully. You can be highly critical of others, complaining that people lack the industry or determination you possess. But this lack of understanding can alienate friends and family members from you. You must learn to control this tendency to maintain harmony in relationships.

Once you are convinced of the inherent correctness of your ideas, you stubbornly -- and sometimes rigidly -- defend and propagate them.

Avoid obstinacy and antagonism. You must cultivate balance, compassion, and perseverance.

You easily assume the role of protector. You spring into action when leadership is needed.

Pride can be your downfall. You so powerfully identify with your goals and ambitions that you sometimes refuse to see a potential flaw or weakness in your well-laid plans.

Sec, you possess strength and determination, which, when applied to any endeavor you are committed to, will lead you to great success in life.

Your Expression's compatibility is 8 and 1

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on," and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized

in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Your respective Life Path numbers make you two strong-willed but at the same time, somewhat stubborn people. Often, when you are both around, it is like having two captains on a ship - your conflicting orders can lead to explosive arguments, which, in turn, may lead to uneasiness, discomfort and even distress. Therefore, willingness to compromise is very important in your relationship, otherwise small arguments can be blown out of proportion.

Sam has a remarkable talent for managing financial matters. Therefore, Sam should be the one controlling the money. You both have good business instincts, which could result in very successful shared endeavors. Should you decide to go that way, make sure you keep each other's duties and responsibilities carefully separated so as to avoid any type of personality conflicts. Whatever your decision may be, it is important that you have faith in each other's abilities and act independently. However, since both of you like to do things your own way and neither of you is good at delegating, you should be aware that this will not be an easy task to be accomplished.

Neither one of you accepts anything less than full respect and an equal playing field. Similarly, neither one of you can be dominated or would accept being someone's sidekick.

However, while Sam understands the material world and needs to see material results and rewards, Sec is more attached to the satisfaction that comes from knowing you did a good job.

Although you may have your differences, it is important that both of you understand that you have a lot in common as well. The one and the eight are very compatible numbers and you will find you have many interests in common - many more than you thought. Another positive aspect in your relationship is that you love to share your experiences, and sharing experiences has, most of the times, proved to be quite enriching. But the fact that you are both more sensitive behind that strong and independent facade than you let on opens the door to possible hurtful comments and increases the danger of doing each other, in the heat of an argument, more damage than either of you realizes. Therefore, always keep in mind that the keywords to this relationship are compromise and communication. If you are both able to compromise and communicate in your day-to-day life, you will also be able to enjoy a pleasant, rewarding and happy relationship, taking advantage of the many interests you have in common.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true

motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Sam, your Heart's Desire is 23/5

Freedom is essential for your happiness. Sam, you love change, new experiences, meeting new people, adventure and travel. You love the exotic, far away places. Variety is more than mere spice of life -- you thrive on it. You are extremely flexible and adaptable. You have more curiosity than the proverbial cat. You have a sharp mind and a natural ability with words. You are a born communicator, clear, fluent, and imaginative in every area that interests you -- which are many!

Your Heart's Desire makes you very well equipped for life. Change -- the only constant in life -- doesn't threaten you, as it does other people. You are highly resourceful. Generally, you can think clearly in a crisis; you have good mental and physical reflexes. Whenever you fall, you tend to land on your feet.

Sam, you are highly enthusiastic. You get excited easily over a new idea or opportunity. Your nature is unconventional. You are a bit of a gambler, taking risks whenever you think the rewards are worth it.

You are very socially oriented and rarely, if ever, dull or boring. You are, of course, drawn to those people who, like yourself, are original thinkers and have exciting personalities.

Sam, you enjoy being involved in several projects at the same time. You need continual stimulation by the new and fascinating. You tend to discard boring pastimes quickly.

Your love of freedom and change can have numerous consequences. You can be irresponsible, especially when it comes to finishing tasks. You have a hard time persevering at a given project and bringing it to completion.

You must be careful that your love of sensory pleasure doesn't lead you to excessive indulgence in alcohol, food, sex, and even drugs.

Sam, you are a bit of a hero and want to save the world. This causes you to

make promises you often cannot keep. Down deep, you long to please everyone, an impossible goal.

Many 5s can be emotionally superficial. They feel love passionately, but fear making deep and lasting commitments. As a result, they resist the depths of emotional attachments and remain on the surface where it is safe.

You will experience many changes and unusual events, but you learn best through experience. Therefore, your life will be full and you will make great strides in personal growth.

Sec, your Heart's Desire is 21/3

Sec, you love a good time. You are generally happy, friendly, and outgoing. You have a gift for gab. You are very witty, creative, and playful. You inspire and entertain people. You are considered by many a great companion.

Many outstanding comedians have this Heart's Desire. You have a good mental and emotional balance and there is little that gets you down.

You have a gift for self expression and are drawn to the verbal arts -- writing, acting, singing, and poetry. You may have a great talent in one of these areas. If your creativity is blocked or suppressed, you tend to daydream and fantasize. Your imagination needs a constructive outlet; otherwise, it may run away with you.

At the same time, you may have great difficulty expressing your deeper feelings and important personal thoughts. You prefer to stay on the surface, entertaining people with your wit.

If you fail to deal honestly with your inner nature, you may succumb to compulsive talking. Such behavior may be merely a way of siphoning off emotional energy that is building beneath your surface. Your deeply felt emotional life cannot be avoided or suppressed. But you possess the talent to channel these feelings into highly creative and artistic form. Art and self-expression are your outlets.

Sec, you need discipline to make full use of your abilities. Too often, you may scatter your energies in many directions, beginning projects that are never finished and never really succeeding in anything.

Your success depends on your ability to commit to your work and to see it through to completion. You have so much creativity and inspiring upward energy that you are in desperate need of an anchor. Hard work and discipline serve this purpose and bring out the best in you.

Because you are gifted with such a sparkling personality, you are tempted to stay on the surface and play with life. You are confident and love the attention others give you, but these characteristics can lead to vanity and self-absorption.

Sec, you have the potential to live a very full and successful life thanks to your talent for artistic self expression. The key to your success is a balance between

the creative forces and self-disclose.

Your Heart's Desire's compatibility is 5 and 3

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

This is an excellent combination, but because the partners are so compatible, they sometimes enhance each other's less desirable traits as well.

Sec is upbeat, expressive, creative and playful. However, Sec is not always focused and the results of Sec's productivity are not always useful. Sam generates a similar, sometimes restless energy. Sam, though, is more directed towards social activities, interacting with other people. Sam's life style is dynamic and, if the decision is in Sam's hand alone, this life style will involve lots of travel. If you happen to share a home, Sec and Sam, you will have little trouble creating a living environment and a life style suitable to both.

You both communicate well. Your verbal abilities make you a popular couple. In fact, one of the things that could trip you up is the popularity and easy social interacting, since you both - but Sam in particular - may have a tendency to become jealous of your partner. You both thrive on playing center stage, you both want to be in the spotlight, and this may cause an uncomfortable competitive atmosphere.

Sec, Sam can, at times, say things on the spur of the moment that are hurtful or reveal an underlying problem. You would do well reading between the lines, because, whatever it is, Sam probably won't spell it out. Similarly, Sec likes to skim over the deeper issues in life, especially those in the emotional sphere. Sam needs to be aware that, even after being close to Sec for many years, much about Sec will never be revealed. This shows that, if you are not careful, the two of you could be experiencing deep inner turmoil, and your partner might not be aware of it.

The three and the five get along very well. Sec likes the way Sam acts and talks. Sam has a wonderful time with Sec's wacky sense of humor and upbeat nature. It is a good combination that can last a lifetime. If problems arise and reach the kind of proportions that put this relationship in jeopardy, it is usually because the partners didn't listen carefully to each other. Both the three and the five have a tendency to keep emotional problems on the back shelf instead of dealing with them. Then, once the turbulence reaches the surface, it is too late and the end comes swift and final. Sec and Sam, you have to pay attention to each other. Watch for subtle signs of discomfort or anger, and deal with it immediately in an open, direct and compassionately way. That is the key to sharing an inspiring,

creative, lively, happy life.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Sam, your Personality is 12/3

Sam, you are highly attractive. Many men with a 3 Personality are very handsome; women are often strikingly beautiful.

Your vibration is full of life. You are uplifting, inspiring, and charming. You are a fun person to be around. Your wit and sparkling personality make you the life of a party.

You are extroverted and optimistic. You appreciate fine clothing and jewelry, and enjoy dressing up a bit. You like glamour, and are sought after by the opposite sex.

You are a romantic. Sam, you fall in and out of love rather quickly. You are affectionate and giving.

Do not let your charm be an incentive to play too much. Work at developing deep and lasting relationships. You have to avoid scattering your attention for popularity.

You can be flippant about commitments and may dramatize or exaggerate.

Your wit can cause you to rely too much on superficial, humorous conversation.

You have a distinct "lucky streak" that attracts many opportunities throughout your life. You also have a knack of promoting yourself as well as inspiring others. When backed up by hard work and self-discipline, these qualities almost ensure

your success.

Sec, your Personality is 16/7

Sec, you seem mysterious and different. People see you as serious and studious. You are highly independent and self-sufficient. Your exceptional intelligence and wisdom are quickly noticed, people respect you. You are not one to attract people on the basis of your warmth or compassion -- though you may be loaded with both -- but because of your obvious insight into life's mysteries.

You are hard to get to know. You are often withdrawn. It is common for people to see your focus turn inside of yourself in the middle of a conversation.

You have the makings of an intellectual and an aristocrat but you have to guard against arrogance and an attitude of, "I've got it all figured out".

There have been periods in your life when you had little concern for your clothing or fashion, while at other times you are very aware of your clothing and use it to make a specific impression.

You appear dignified no matter how you dress., but a well-groomed seven with a touch of dash definitely has an advantage. Your confidence increases when you know you are well-dressed.

Sec, you are recognized as spiritual and religious, with your very own ideas regarding the purpose of life and the Creator.

You are an inspired speaker, but only when discussing subjects that really interest you. Otherwise, you are not one for chatter.

Your love of knowledge and wisdom shows.

Your Personality's compatibility is 3 and 7

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

This combination of numbers in this part of the chart is particularly interesting. Sam and Sec, the different natures of the three and seven make for a relationship that either lasts for about two weeks before going up in flames, or remains exciting and powerful for a lifetime. If your relationship has existed for quite some time and can be considered stable, you may well be soul mates for life. If the relationship started recently and has already experienced considerable ups and downs, you should be prepared to let go. It is also quite common for this combination to turn from romance into deep friendship immediately after a romantic fall-out.

Sam has a restless, energetic, unconventional mind that happily explores the boundaries of creativity and originality. Like a kaleidoscope, the mind of the three

changes colors and shapes and enchants those around it. Sec has a much more serious, but no less unconventional way of looking at life. Sec is an untiring seeker of truth and understanding. Sec gets great satisfaction out of quiet moments of contemplation and soul searching. In fact, Sec thrives on the clarity and realizations that come from such moments and from moments of spiritual enlightenment, which are common to those found with the seven in this part of the chart.

As you can see, you have very different approaches in the way you think. But, on the other hand, you have in common the fact that you both are unconventional and not afraid to wander off the beaten path. Although you have different needs and you find your happiness in very different ways, such ways are not incompatible. Sam and Sec, it is precisely your uniquely different intellects that make this relationship lively and interesting. You complement each other. You give each other something you would not be able to give yourself. Sam brings sunshine and an intuitive faith to Sec, while Sec offers Sam a taste of the beauty found in exploring the depths of life itself. Like the sun and the moon, you supply light and comfort. Although on opposite ends of the spectrum in some ways, you bring light and comfort to each other's life and, as long as you don't compete for each other's space, you can live in great harmony.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Sam, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

Sec, your Personal Year for 2023 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals.

Sec, your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel.

You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility.

You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long.

This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment.

January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. Sec, you may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

Your Personal Year's compatibility for 2023 is 6 and 4

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Sec and Sam, the combination of cycles you are now undergoing offers a number of opportunities for you to improve the quality of all aspects of your life. You complement each other very well. It is a time of shared effort with Sec focusing on the practical aspects and Sam on the heart and health of the relationship. Sec and Sam, your energies are in line and enhance all the good qualities found in the four and the six. You will experience progress as well as financial growth, and will also manage to play a larger role in the community around you. You may even find yourself combining your forces to reach common goals. Very few negative influences may come from this combination of cycles. Even a tendency for Sec to become irritated - perhaps even angry - a little quicker during a four cycle is easily lessened by Sam's ability to reach out and comfort Sec.

Sam, your Personal Year for 2024 is 7

Sam, you will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health. It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength

of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, Sam, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Sec, your Personal Year for 2024 is 5

This is a year of dynamic change, Sec. Many surprises will come your way. Be open and ready to embrace new opportunities.

Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you.

There will be increased opportunity to travel and possibly a change of residence.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

You will have some unexpected adventures and lucky breaks this year.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

Your Personal Year's compatibility for 2024 is 7 and 5

Sec and Sam, this is one of the most healing and loving cycles you can experience. The five and the seven are very different, but they get along extremely well.

Sec is undergoing a time of changes and dynamic energy. Sam, you are a bit more withdrawn than usual because your focus is on your inner life: who you are and where you are going. Although the cycles tend to influence you very differently -- outward for Sec, inward for Sam -- these energies thrive on each other. Sam, your desire, consciously or subconsciously, to understand better who you are and where you want to go, as well as the fact that you are more quiet

and subdued, creates somewhat of an aura of mystery around you. This is very attractive to Sec, in particular during this time when nothing else seems subtle and mysterious. Sec's charged energy and inspiring attitude has a powerful and positive effect on Sam, for whom this is like a lifeline to the "real" world. A mistake people in Sec's position sometimes make, however, is to view their partner's quietness to mean that something is wrong. Don't make that mistake, Sec. The one thing people in a seven period don't want is for someone else to try to draw them out of that quiet space. Sam would probably experience that as annoying and intrusive. Just be together. That is all it takes to make this a wonderful time of closeness and deeply felt appreciation.

Sam, your Personal Year for 2025 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief, Sam. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large. There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself more clear and focused and able to pursue and reach your goals. Sam, your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused. There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Sec, your Personal Year for 2025 is 6

This is a year of progress and financial advancement, Sec. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges.

This is a year of domestic responsibility and attention to the needs of family

and friends. It is a time of heart felt emotions and some sacrifice. It is a time for comforting and caring.

You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need.

Sec, you must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

These deep feelings bring renewal to relationships and often a birth in the family.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

Your Personal Year's compatibility for 2025 is 8 and 6

Although quite different, these cycles are nonetheless very compatible. Both of you, Sec and Sam, will experience progress in career and other worldly matters. Sam and Sec, this can turn out to be an excellent time that may well bring a financial windfall.

On a more personal level, you are also more involved with each other, albeit in very different ways. For Sec, it is simply a matter of the heart. Sec feels strongly committed and wants nothing more than to make Sam happy. For Sam, there is some awakening of leadership spirit and ambition, even within the relationship. And here is where we may encounter a possible pitfall. Sam, your tact and diplomacy are not particularly enhanced right now. You are taking more control of your life, but you have to be careful not to try and take control of the lives of those you care about, including, of course, Sec's life. It is easy to see how that can become a source of friction: Sec needs your love, not your leadership. Focus your ambition on other things and allow your heart, not your mind, to control your relationship.

PERSONAL MONTHS

Sam, your Personal Month for November 2023 is 8

Sam, November is an 8 Personal Month in a 6 Personal Year and is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have

been considering in your business affairs. As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, this month may bring bad news.

This is a good time to straighten out financial dealings you may have with friends or relatives as well.

This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

Sec, your Personal Month for November 2023 is 6

Sec, November is a 6 Personal Month in a 4 Personal Year. It offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying.

Your workload is considerable but doesn't burden you as much as it did during other times of this year. You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Sec, your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker, and this can no longer be ignored. Tension will come to a head but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

Your Personal Month's compatibility for November 2023 is 8 and 6

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles.

While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

Although quite different, these cycles are nonetheless very compatible. Both of you, Sec and Sam, will experience progress in career and other worldly matters. Sam and Sec, this can turn out to be an excellent time that may well bring a financial windfall.

On a more personal level, you are also more involved with each other, albeit in very different ways. For Sec, it is simply a matter of the heart. Sec feels strongly committed and wants nothing more than to make Sam happy. For Sam, there is some awakening of leadership spirit and ambition, even within the relationship. And here is where we may encounter a possible pitfall. Sam, your tact and diplomacy are not particularly enhanced right now. You are taking more control of your life, but you have to be careful not to try and take control of the lives of those you care about, including, of course, Sec's life. It is easy to see how that can become a source of friction: Sec needs your love, not your leadership. Focus your ambition on other things and allow your heart, not your mind, to control your relationship.

Sam, your Personal Month for December 2023 is 9

Sam, December is a 9 Personal Month in a 6 Personal Year and it is the second time this year that some letting go has to be done. A relationship is going to end. This can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them.

You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of yourself.

Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations. Your honesty may be questioned.

If you are single, you may meet someone later this month.

If you are committed, you may feel you are involved in a roller-coaster kind of

relationship. Not to worry, things calm down by the end of the month.

Sec, your Personal Month for December 2023 is 7

Sec, December is a 7 Personal Month in a 4 Personal Year. It's a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end.

December is a much more comfortable time for such an inward-journey and expansion of your consciousness. There will be plenty of opportunity to withdraw, to seek the quiet. Whether you enjoy this time depends on whether you value such an experience.

This has been a year of hard work and, at times, frustration, but the work will pay off. You are now more aware of that, and even that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner-contentment and a fuller awareness of the love and goodwill of others.

Only the 4 Personal Year closes with such a beautiful and fitting counter-balance to a difficult and busy year.

Your Personal Month's compatibility for December 2023 is 9 and 7

Sec and Sam, you may feel somewhat distant from each other during this period. You are both experiencing a lot of emotions that are not easily understood or explained. Although you share the need to be more inward focused than usual, the reasons are quite different. Sec, in what is at least in part a subconscious effort, is seeking understanding and clarity. Sec is on a path of increased self-awareness and spiritual growth. Sam is also influenced by energies that focus inward, but on a more practical and emotional level. Some hovering insecurity may cause Sam to feel less confident than usual. There are doubts and questions in Sam's life, but they are different in nature from Sec's. Sam's turmoil is largely emotional.

There is a big difference in the way this internal search for understanding is experienced. Sec, strange as it may sound, actually feels strong and capable. Sam, on the other hand, feels vulnerable. Sam needs you right now, Sec. Sam doesn't per se expect any answers from you, but you can be a much-needed source of strength. For both of you, this is a learning cycle. And you will certainly come out spiritually and emotionally stronger.

Sam, your Personal Month for January 2024 is 8

Sam, January is an 8 Personal Month in a 7 Personal Year and brings success and reward from past effort. Self-reliance and confidence are the keys to success this month. Stand up for yourself and show stubborn persistence.

Your career is stable, with few ups and downs, but your finances are less secure. A conservative attitude to money matters is favorable.

Your attention is focused on long-term planning. You have good ideas that may well turn into an additional source of income later this year (during or around October). You also become interested in new avenues of thought or spiritual paths, which will inspire you to study or read.

This month's emphasize is on long-term goals.

Friends and relatives feel that you are a little distant, and may get on your case in the hope that you will spend more time with them.

Romance is not particularly important. If you are involved with someone, feelings deepen and the bond becomes stronger.

Sec, your Personal Month for January 2024 is 6

Sec, January is a 6 Personal Month in a 5 Personal Year. All during this month the focus is on your attitude towards friends, co-workers, and family members. You are in a position to improve relationships in all areas. You are warm-hearted and more outgoing than usual. Others are attracted to your optimistic disposition and several people close to you will come to you for advice and comfort.

The month may bring a turbulent new relationship into your life. The initial introduction may start off a little awkward, even cause some friction. You will need to be tolerant and understanding. Even if you feel sure that your point of view is correct, a hardheaded, stubborn approach is not beneficial.

On the contrary, the true purpose of this conflict is an opportunity for you to reach out and earn the appreciation and respect of this person by freely demonstrating your own.

Other, more practical changes are also in the picture. Many will make changes in their office, residence, or work routine.

Sec, you may get some strong signals that your career may receive a boost in the very near future, which only buoys your optimism.

If you are single, this is an excellent month to be social and meet new people.

Your Personal Month's compatibility for January 2024 is 8 and 6

Although quite different, these cycles are nonetheless very compatible. Both of you, Sec and Sam, will experience progress in career and other worldly matters. Sam and Sec, this can turn out to be an excellent time that may well bring a

financial windfall.

On a more personal level, you are also more involved with each other, albeit in very different ways. For Sec, it is simply a matter of the heart. Sec feels strongly committed and wants nothing more than to make Sam happy. For Sam, there is some awakening of leadership spirit and ambition, even within the relationship. And here is where we may encounter a possible pitfall. Sam, your tact and diplomacy are not particularly enhanced right now. You are taking more control of your life, but you have to be careful not to try and take control of the lives of those you care about, including, of course, Sec's life. It is easy to see how that can become a source of friction: Sec needs your love, not your leadership. Focus your ambition on other things and allow your heart, not your mind, to control your relationship.

Sam, your Personal Month for February 2024 is 9

Sam, February is a 9 Personal Month in a 7 Personal Year. It brings a number of changes, most of them occurring inside of you. You awaken to new feelings about your job, your house, and the people around you. It is a time of reevaluating the choices and decisions you have made over the past several years. You gain clarity and understand your motivations and needs better.

You may cause some practical changes as a result of this, and even distance yourself from outdated habits or relationships. There may be some emotional turmoil connected to this, but the feeling of relief is more prominent. This is a tricky time in all areas of relationships.

Sam, your irritation threshold is lower than usual. Irrational demands and lack of patience from your side may bring on feelings of guilt and you will probably find yourself apologizing more than once. You have strong idealistic, humanitarian, and spiritual feelings and may want to become more involved in some practical endeavors concerning one or more of these areas of life. However, you will probably postpone any active involvement for the time being, because you feel the time is not right.

Most important this month, is your enhanced clarity in all matters concerning your life and the direction it is taking.

It is a time of re-assessment of your values and priorities and the influence of this month will be felt for a long time to come.

The practical aspects of career, business, relationships, and romance are all on the back-burner, but the inner-changes that take place represent a much larger step forward than you will probably realize at this time.

Sec, your Personal Month for February 2024 is 7

Sec, February is a 7 Personal Month in a 5 Personal Year and finds you more

inwardly focused. Self-reflection and contemplation bring spiritual clarity and growth. At the same time, your career improves and you manage to impress important people. Doors that have been closed open and offer access to opportunities. Financially, this month may also show some progress but the emphasize is more on opportunities and your ability to take advantage of them.

Warnings are justified in two areas. Your dynamism and excitement may cause you to be somewhat insensitive at times. Also, you would rather plan and discuss future endeavors than to put forth the effort required to take full advantage of current opportunities.

Key-words to make this month a success are caution and discipline.

If you are married or otherwise committed, you may feel a little distant from your partner. This is temporary and does not require any special attention. If you are single, romance is not a high priority.

Minor health problems that have not been treated may come to the foreground. This is a good month to apply discipline to your eating habits and to step-up your exercise regimen.

Your Personal Month's compatibility for February 2024 is 9 and 7

Sec and Sam, you may feel somewhat distant from each other during this period. You are both experiencing a lot of emotions that are not easily understood or explained. Although you share the need to be more inward focused than usual, the reasons are quite different. Sec, in what is at least in part a subconscious effort, is seeking understanding and clarity. Sec is on a path of increased self-awareness and spiritual growth. Sam is also influenced by energies that focus inward, but on a more practical and emotional level. Some hovering insecurity may cause Sam to feel less confident than usual. There are doubts and questions in Sam's life, but they are different in nature from Sec's. Sam's turmoil is largely emotional.

There is a big difference in the way this internal search for understanding is experienced. Sec, strange as it may sound, actually feels strong and capable. Sam, on the other hand, feels vulnerable. Sam needs you right now, Sec. Sam doesn't per se expect any answers from you, but you can be a much-needed source of strength. For both of you, this is a learning cycle. And you will certainly come out spiritually and emotionally stronger.

Sam, your Personal Month for March 2024 is 1

Sam, March is a 1 Personal Month in a 7 Personal Year and, while you may still have a case of the blues on the early days of this month, March soon brings optimism, increased energy, and excitement. You are intellectually sharp and

imaginative. You feel that anything is possible and that the sky is the limit.

Against the background of self-reflection and soul-searching that's such a major part of this year is this month's sense of spring-time in your heart. This is an excellent time to take on new challenges in your career, to start new endeavors, or, if you are in business or sales, to go out and snare that important new client.

Often, this month brings financial gain, but your attention is more directed towards intellectual accomplishments. Your pride and self-esteem get a boost.

A more difficult aspect of this month is your relationship with loved ones. You lack the necessary sensitivity to respond properly to the needs of those close to you. Sam, you are under the illusion that everyone feels the way you do; that problems are only minor impediments that can be taken in stride. However, your optimistic attitude also inspires them, and they grudgingly respect you for the way you seem to be handling things.

A romantic experience brings passion and excitement either late this month or early next month.

Sec, your Personal Month for March 2024 is 8

Sec, March is an 8 Personal Month in a 5 Personal Year. It is a time to be careful in all financial matters. Issues involving money take center stage. More people go bankrupt or make a killing during this period than with almost any other number combination. Now, especially, you are required to balance the material and the spiritual. If you are considering a major purchase that involves long-range financing -- such as buying a house or a car -- but you question whether you can fulfill the obligation, you would do well to wait until the second half of May before acting.

The worlds of work and personal relationships require opposite approaches this month. A certain amount of aggression in career and business matters is favorable. Promote your ideas.

Put out effort. Work harder and longer than is required. On the other hand, your personal life requires patience and understanding -- both of others and yourself. You may want to clear the air between you and a loved one, but you have difficulty overcoming your fear of being misunderstood. Or perhaps you are not clear about what you feel. Try putting your thoughts on paper first to achieve a higher degree of clarity.

Your Personal Month's compatibility for March 2024 is 1 and 8

The one and eight is an excellent combination to inspire both of you to get busy. Sam is pushing towards goals and Sec is discovering goals. The two of you are treading on a path of progress and financial improvement, although there may be

some danger involved for Sec, who should be very careful and suspicious of any get-rich-quick schemes.

The gap between the cycles is considerable and has to do with your different spiritual paths. This will become particularly clear during this period and may cause some problems in the relationship. Much of it is superficial and a helpful bit of advice is to just ignore it. Sometimes, in order to maintain a healthy, strong relationship, you need to talk about your differences. There are instances though, when it is better to just avoid the subject and accept the fact that you love each other but are two different people with different experiences. This is a time to ignore the differences and just enjoy each other's company.

Both of you, Sam and Sec, are going through cycles that strengthen your position on the material plane, and during their span, your best approach is to focus on that. As to your intellectual and spiritual differences, you will be better off if you don't disturb sleeping dogs.

Sam, your Personal Month for April 2024 is 2

Sam, April is a 2 Personal Month in a 7 Personal year. Now the pendulum swings back from the insensitivity of last month to heightened awareness, especially of others. You are aware of the emotional subtleties that lie beneath the surfaces. You take nothing for granted. Your wisdom and diplomacy will surprise people and prevent several situations from becoming explosive.

Relationships with both subordinates and higher-ups will improve. You receive support and are well-spoken of. Your intuition is keen; rely on it, and respect any premonitions you may have. Someone you meet sparks your interest, but you may find that the person is unstable and fragile. You play the role of teacher and counselor in this relationship.

Sam, your understanding and intuition also offer you the means to heal formerly difficult relationships this month.

Sec, your Personal Month for April 2024 is 9

Sec, April is a 9 Personal Month in a 5 Personal Year. It brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions.

There are indications of up-coming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may have a tendency to make mountains out of molehills, however.

Someone you care about is leaving, being transferred, or going on a long trip.

Social events make this a hectic month and a certain amount of moderation and discipline is needed.

Your Personal Month's compatibility for April 2024 is 2 and 9

Sam and Sec, this is a time when you will be able to recognize whether the relationship is founded on real substance. You are both experiencing a time when emotional forces seem to rule. Sam is somewhat self-absorbed and emotional about pretty much everything. Vulnerable and sensitive, Sam is also more aware and finely tuned to recognize what is real and what is not. In order for the heart to see more clearly, some protective layers have to be dismantled. This is exactly what is going on with Sam in regards to the relationship. While the heart is seeking truth and clarity, it is also more exposed and vulnerable. For Sec, a different but no less emotionally charged period is reflected in the nine. Sec is also searching for answers, but the question is not so much connected to the relationship as to Sec, the human being. Sec is facing a crossroads and not sure about which way to turn.

This is a very important time for Sec, a time during which Sec experiences ups and downs like a roller coaster. A time of growth and choice.

Sam and Sec, you are two people going through different emotional and spiritual changes. You will be able to support each other only in the most basic sense; you can give each other love.

If the relationship has real substance, you will get through this time with flying colors. If the relationship does not have real substance, you will both know that by the end of this period.

Sam, your Personal Month for May 2024 is 3

Sam, May is a 3 Personal Month in a 7 Personal Year and is an excellent time for leisure and play. Take time off and, if possible, go on vacation. Get in touch with the inner you, daydream, and share those feelings and thoughts with someone you trust. Your need for others heightens.

You sense changes on the horizon, but feel you are in limbo, waiting for events to provide a new direction. Seek the advice, perspective, and insight of others.

You continue to make a good impression on those you work with, but not because of enhanced sensitivity and awareness, as was the case in April, but because of your ability to express yourself well and motivate others to see things your way. Be careful not to become manipulative.

This is a "lucky" month. You're in the right place at the right time and coincidences will occur in your favor. You are more attractive to the opposite sex than usual and may receive some interesting proposals.

Sec, your Personal Month for May 2024 is 1

Sec, May is a 1 Personal Month in a 5 Personal Year. It brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals.

Financially, this is a dangerous time because of the tendency to splurge.

If you are single, you may well be introduced to someone very interesting and attractive. If married, romance is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate, but may falter as soon as it is put to the test. Even if you are already committed you may well find yourself eye to eye with someone very attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

Your Personal Month's compatibility for May 2024 is 3 and 1

Sec and Sam, not only is this one of the most compatible cycles but it also shows that your cycles are usually compatible in nature. A gap of two will always be maintained, which, as a rule of thumb, is a good sign. Next time, your cycles will be two and four, the period after that three and five, and so forth.

For this period, Sec, you are like someone who just awoke from a long rest, had a cup of coffee, and are now rearing to go. Your energy level is high. You feel strong and capable and don't want to be held back by anyone or anything. Sam also experiences a dynamic time, but with less focus and more play. Sam's energy is more directed towards creativity, self-expression and relaxation.

The only possible discordance with this combination of cycles usually lies in Sec's perception of Sam's behavior as lacking responsibility. Sam is not in the mood to take anything very serious, which may become a source of irritation for Sec. Sec, you need to accept the fact that this period represents somewhat of a break – as matter of fact, a necessary break - for Sam.

Sam, your Personal Month for June 2024 is 4

Sam, June is a 4 Personal Month in a 7 Personal Year. It may prove to be the busiest month of the year. Work is demanding. Responsibilities and duties could become frustrating. You've got to stick to the routine and, consequently, you may become bored with your environment.

Your energy level is high and you want things to change. Reorganize your personal life. Manage your time more efficiently. Work on the house or garden so that you can enjoy improvements in your environment as well as your work life.

You are more serious this month than you were last month. Don't take chances in financial affairs. It is better to save than to spend. Open your heart to your loved ones. They may sense your preoccupation with work and details, and need you to reach out to them.

Sec, your Personal Month for June 2024 is 2

Sec, June is a 2 Personal Month in a 5 Personal Year and it enhances your insight into the motivations and emotions of others. You play the role of counselor several times this month. Your intuitive powers are also enhanced, but this does not extend to money matters. It's not a good time to take financial risks.

There are changes taking place in many areas of your life this year, and the general instability is felt strongly this month.

Study and reading are more favorable, especially when related to your career. The focus is on relationships at work and at home. You need to trust others enough to open up your heart and reveal your deeper feelings. This is a good time to release some bottled-up feelings.

Romance also plays an important role this month, particularly if you are involved in a relationship that originated fairly recent. Sec, your enhanced sensitivity and intuition helps you to see the deeper meanings and values, which make the relationship stronger or....cause a permanent break. A critical issue here, is your ability to express your true feelings. Communicate!

An unexpected invitation to visit a friend or relative in some distant town may inspire you to pack your backs and go. This will turn out to be beneficial.

Your Personal Month's compatibility for June 2024 is 4 and 2

For Sec, a time of growth as a result of networking, meeting people in relation to work or business, and consolidating plans. For Sam, a time of hard work, focus, and probably a fair amount of frustration. For both of you, Sec and Sam, the focal point should be career, work, your plans, and your future.

The relationship is not much of an issue. It is possible that you will experience times when you don't seem to communicate much or share as much time together as usual. You may even feel that you are pulling away from each other. Don't worry. It is simply a matter of not being able to be in two places at the same time.

This, however, is only one side of the coin. On a more subtle plane, it is almost as if the opposite takes place. Because for Sam this is also a time of finding stability and comfort. Of placing things where they belong and establishing

boundaries and territories. While for Sec the heart rules and emotions are strongly felt and quickly displayed. This means that you complement each other. While Sam works on the practical aspects of your relationship, Sec energizes the relationship on a deeper level. You could say that during this time, Sam works on the home and Sec works on the heart.

Sam, your Personal Month for July 2024 is 5

Sam, July is a 5 Personal Month in a 7 Personal Year. It is a time of unexpected events. Be flexible, especially in thought.

Let old concepts and dogma go. This is a time of incredible growth, mentally as well as spiritually, but you have to allow such growth to occur.

New information comes to you. You have the opportunity to change old ideas about life or people. Your circumstances could even change. Travel is also possible and favorable. A sudden phone call could put you on the plane the next day. Letters or phone calls could come from people you have not heard from in a long time.

Meanwhile, you feel scattered and restless and want to avoid the nitty gritty details of life. Go with the flow; answer demands as they come up and do not try to control the circumstances too much.

Sam, you are mentally sharp and quick to see the meaning of new information. You are also creative and imaginative. This month releases your wilder side, especially when it comes to your social life and love relationship. Within the context of this year's serious and spiritual overtones, July is by far the most dynamic month. Be careful of too much self-indulgence and irresponsibility. Moderation, again, is the key.

Sec, your Personal Month for July 2024 is 3

Sec, July is a 3 Personal Month in a 5 Personal Year. Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income.

This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the time to do it.

A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Sec, your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. Don't take yourself too serious, and, if possible, take some time off for a vacation. It's a good time to recharge your batteries.

Your Personal Month's compatibility for July 2024 is 5 and 3

This is one of the most compatible combinations of cycles, Sec and Sam. You are both experiencing a time of enhanced energy and dynamic growth. Within the contexts of your relationship, you are able to communicate well, enjoy each other's company, and play off each other's energy. Lower blood pressure and less stress bring more flexibility to the body and to the mind, which explains why this is considered a cycle of healing.

There is little negative to say about this combination of cycles, except for the inherent danger of having too much fun. Quite often, the three as well as the five draw elements of danger in their search for new and exciting experiences, which does not go unnoticed to those around you. You will have to be careful not to draw into your circle people whose influence is less than desirable.

Sam, your Personal Month for August 2024 is 6

Sam, August is a 6 Personal Month in a 7 Personal Year and with it comes stability and quiet. There is recognition and respect at work, but also the possibility that someone else takes credit for your effort. Apply yourself diligently. Responsibility and duty rule this month. There is financial gain, probably from a source other than work.

Your family and friends need your love and attention; give of it freely. Especially give your time and advice to a younger person. There is a lot of love that surrounds you this month, but you may not be aware of it. Your attention is focused inward and you may want more time alone than you actually have. Maintain balance. The people close to you need attention and you should be there for them.

Your spouse or romantic partner requires much of you this month, too, and your relationship with deepen as a result.

Sec, your Personal Month for August 2024 is 4

Sec, August is a 4 Personal Month in a 5 Personal Year. Your career may be demanding and a bit frustrating. You need to attend to routine matters, some of which may be boring. This is not a time to slack. Don't procrastinate. Commit to your responsibilities and see projects through to completion.

This month could bring a welcome opportunity on the job front, but your success will depend upon your willingness to stand up for yourself, to take charge of circumstances, and refuse to be victimized by outside events. You need the courage to stand up for your beliefs, to "do the right thing."

Make important changes in your life. Such as start a diet and/or exercise regimen, quit smoking, dedicate yourself to a good cause, and reconnect to your higher spiritual values. This is the month to make fundamental and positive long-term changes in your life.

It's important to demonstrate to those around you that you are dependable and can be relied upon. This affects both your work and love life. You will impress all of those around you with your sense of duty and trustworthiness.

Your Personal Month's compatibility for August 2024 is 6 and 4

Sec and Sam, the combination of cycles you are now undergoing offers a number of opportunities for you to improve the quality of all aspects of your life. You complement each other very well. It is a time of shared effort with Sec focusing on the practical aspects and Sam on the heart and health of the relationship. Sec and Sam, your energies are in line and enhance all the good qualities found in the four and the six. You will experience progress as well as financial growth, and will also manage to play a larger role in the community around you. You may even find yourself combining your forces to reach common goals. Very few negative influences may come from this combination of cycles. Even a tendency for Sec to become irritated - perhaps even angry - a little quicker during a four cycle is easily lessened by Sam's ability to reach out and comfort Sec.

Sam, your Personal Month for September 2024 is 7

Sam, September is a 7 Personal Month in a 7 Personal Year. Now, more than ever, spiritual growth and self-discovery are highlighted. If you have not been fully aware of this inner search during part of this year, there is no escaping it this month. Dreams will be intense and you won't be able to shake them when you wake up. You will find yourself staring into space more often than usual. You are withdrawing and may experience some loneliness as a result.

You are questioning a lot of things that you had been taking for granted. You think about your life and the direction it is taking. The mysteries of life and death (without being morbid) occupy your mind.

You are mentally sharp and flexible, and you easily keep up with any demands that come your way. Sam, your career, finances, and other mundane aspects of your life occupy a relatively smaller place in your life, this month. Without avoiding your duties, you can let these areas take care of themselves until early next month.

Your friends and family are less demanding.

Romantic ties can be surprisingly strong, however. You have a real desire to share your innermost feelings with the person you are attracted to, revealing a side of yourself that has not been available in such intimacy before.

Sec, your Personal Month for September 2024 is 5

Sec, September is a 5 Personal Month in a 5 Personal Year. The hectic pace of last month continues. However, the nature of activities is quite different. You are challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go. Otherwise, stress may take a physical toll.

If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, any relationship begun now still has much to teach you about life and love, so be open to all the possibilities.

Be warned, however. Sec, you may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or physician.

Your Personal Month's compatibility for September 2024 is 7 and 5

Sam and Sec, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Sam, your Personal Month for October 2024 is 8

Sam, October is an 8 Personal Month in a 7 Personal Year. It brings reward and recognition. Often, this is a very good month for all matters related to career, business, and finances. You reap the rewards of what you sowed in the past seven years. (Next year offers even greater rewards than this month.) October gives you the opportunity to peak into the near future because it represents a small scale sample of what next year will bring. The eight cycle is a rewarding time, but there are two important sides to the way it is delivered.

On one hand, it is directly proportionate to the effort you have put out in the past. On the other, you receive exactly what you need to continue on your path. For that reason, you would do well keeping a close eye on your finances, especially to protect yourself from any shortfalls next year. Financial gain is much more common this month (and in the 8 Personal Year). In any case, this is a time to be aggressive in all matters relating to career and finances.

Sec, your Personal Month for October 2024 is 6

Sec, October is a 6 Personal Month in a 5 Personal Year. It brings stability to the dynamic changes the year has presented. Expect increased responsibility, recognition, and perhaps a raise or promotion.

This month shifts the focus to relationships with family and friends. You share greater closeness with loved ones and may find yourself giving and receiving comfort and advice. Loyalty and trust are fundamental to your well being this month.

If you are unwilling to trust or abuse the trust of someone else, you could experience the break-up of a relationship. Share your feelings.

If you are single, a new and lasting romance is possible.

If you already have a relationship, this is the time to commit. All affairs of the heart are positively highlighted. Health problems will also take a turn for the better.

Your Personal Month's compatibility for October 2024 is 8 and 6

Although quite different, these cycles are nonetheless very compatible. Both of you, Sec and Sam, will experience progress in career and other worldly matters. Sam and Sec, this can turn out to be an excellent time that may well bring a financial windfall.

On a more personal level, you are also more involved with each other, albeit in very different ways. For Sec, it is simply a matter of the heart. Sec feels strongly committed and wants nothing more than to make Sam happy. For Sam, there is

some awakening of leadership spirit and ambition, even within the relationship. And here is where we may encounter a possible pitfall. Sam, your tact and diplomacy are not particularly enhanced right now. You are taking more control of your life, but you have to be careful not to try and take control of the lives of those you care about, including, of course, Sec's life. It is easy to see how that can become a source of friction: Sec needs your love, not your leadership. Focus your ambition on other things and allow your heart, not your mind, to control your relationship.
